This matter comes before the Public Service Commission of South Carolina (the Commission) on the June 4, 1997 request of Pacific Bell Communications (Pacific Bell or the Company) to withdraw its Application for a Certificate of Public Convenience and Necessity to operate as a switchless reseller of various services. Pacific Bell cites as its reasoning the uncertainty regarding its plans to do business in South Carolina, due to a merger.

We have examined this matter, and have determined that the request to withdraw should be granted. This Docket shall be closed.
